

Third and Fourth Class list 1

Reading	Writing	Maths	Other Areas
<ul style="list-style-type: none"> ● Continue reading a book / novel. Before you read, discuss your predictions with someone else. Say what you think will happen and why. ● Read your favourite bedtime story or fairytale, from when you were little, to your younger brother or sister or to your parent. ● Do some paired reading with your parent or an older brother or sister. Take turns after every few sentences....just nudge with your elbow when you want the other to continue. ● Listen to an age-appropriate story on https://stories.audible.com/start-listen The audiobook app audible.com gives you a months free trial and one book for free (All the Harry Potters narrated by Stephen Fry can be found here!) 	<ul style="list-style-type: none"> ● Start or continue a diary of your days at home. Write short entries summarising (telling what happens and what you do) each day. ● Make up 5 questions about what you read in your novel or paired reading. ● Practise your Handwriting by copying out a paragraph from your favourite book or the words of your favourite song. ● Write a poem about today's weather. It doesn't have to rhyme. ● RTE Jnr We Love Books is launching a nationwide writing competition. If you're in third to sixth class, we want YOU to get wild, get weird and get writing. Entries must be 500 words or under and the deadline is April 13th. Third and Fourth class, your theme is "Go Wild!" 	<ul style="list-style-type: none"> ● Keep revising tables (multiplication and division) using topmarks.co.uk game hit the button/ hit the question. ● Write out one or two sets of multiplication and division tables per day (2s,4s,8s this week) ● Time. List the times you get up, go to bed, eat breakfast, lunch, dinner etc. ● Tell the time using the analogue clock e.g. 20 past 4 etc. ● Try to change the times to digital time (4th) ● What time will it be in 15/20 mins time? etc ● What time was it 20/10 mins ago? Etc ● Time yourself doing your work or playing a game etc. ● Using an analogue clock/ watch get your child to represent various times by adjusting the hands (1 o'clock, quarter past 1, half past 1, quarter to 2, 2 o'clock) ● Time bingo: Get your children to divide a sheet of paper into six boxes, then fill each box with a random time (they can use both analogue and digital times), the bingo caller will then call out 	<p>SESE</p> <ul style="list-style-type: none"> ● Write eight questions you would ask an historical figure if you met him / her. ● Horrible Histories TV programme can be found on Netflix and audiobooks are available on audible.com ● Try to learn the counties of Munster - Tipperary, Waterford, Cork, Kerry, Limerick, Clare. ● Draw and label a simple plan of your bedroom / house / garden or all of these. ● Watch RTE Junior at 12 noon - Nina and the Neurons - 15 min Science lessons. ● RTE junior Ecolution podcast based on climate change <p>PE</p> <ul style="list-style-type: none"> ● Hopscotch game. Also try playing it calling numbers in Irish. ● Skipping ● Running - Run around the garden or house 5 times or ten times (you choose) each day for the week and time yourself if possible. See if you get faster. ● PE with Joe Wicks. The body coach kids workout (short movement breaks) available on www.youtube.com

various times, the first person to get all 6 times covered on their sheet gets Bingo!

- Look up TV listings (if possible) and see what times programmes you like are on. Pick a few and work out how long the programmes last.

- Try to get some bus timetables e.g. Matthews' buses. Find out the times of the morning (only) buses from Drogheda to Dublin / Dundalk. Work out how long they take.

- Calendars. If you have a calendar or can look at one online, find out what day of the week your birthday is this year. Do the same for other members of your family, Christmas Day etc

- Check how many Sundays in March, Fridays in May etc.

- What day of the week is the first day of April ? last day of April ? etc.

- Try a word problem a day OR one every second day. Remember to use the RUCSAC

Method. (You will need an adult to make up the problem for you)

Art

- Design a new cover for your favourite book

- Draw and colour a comic strip of a day in your family's life

OR

Create a comic strip to show your favourite part of the story you are reading.

- Draw a self-portrait of yourself as a cartoon character.

- Lots of other art ideas on www.deepspaceparkle.com
