

Third and Fourth Class: List 2

Reading	Writing	Maths	Other areas:
<ul style="list-style-type: none"> • Read to someone for 10 minutes • Do some paired reading for 15 minutes • RTÉ Jr podcast: <i>We Love Books</i> • The audiobook app audible.com gives you a months free trial and one book for free (All the Harry Potter books narrated by Stephen Fry can be found here!) 	<ul style="list-style-type: none"> • Start a diary. Write short entries summarising each day. • Dictation: ask somebody to call out 1-3 sentences (these can be made up or taken from a book), while you write them down. Then get them to check your spelling. If you got any wrong try learning those spellings for the week. • RTE jr We Love Books is launching a nationwide writing competition. If you're in third to sixth class, we want YOU to get wild, get weird and get writing. Entries must be 500 words or under and 	<ul style="list-style-type: none"> • Keep revising tables (multiplication and division) using topmarks.co.uk game hit the button/ hit the question • Time: Using an analogue clock/ watch get your child to represent various times by adjusting the hands (1 o'clock, quarter past 1, half past 1, quarter to 2, 2 o'clock) • Time bingo: Get your children to divide a sheet of paper into six boxes, then fill each box with a random time (they can use both analogue and digital times), the bingo caller will then call out various times, the first person to get all 6 times covered on their sheet gets Bingo! • Measuring: estimate the length of various objects, record your estimates on a piece of paper, then check the actual length using a ruler/ measuring tape, calculate the 	<p>SESE</p> <ul style="list-style-type: none"> • RTE junior Ecolution podcast based on climate change • Science: Go on a nature walk to identify the signs of spring. You could bring a checklist with you from twinkl.co.uk (see attachment) • Geography: Try and learn off the counties in each province (week 1 all the counties in Leinster, week 2 all the counties in Munster, etc.) • Geography - water experiment: Pour about 3 spoonfuls of water each onto 2 saucers. Place one near sunlight (on windowsill/ near a lamp) and the other into a press or some shade. Leave for 4 hours before checking results (key word: evaporation). You could write up your experiment using the following headings - Title, date, equipment, method: step 1, step 2, step 3, prediction, results, labelled diagram. • History: Horrible Histories TV programme can be found on Netflix and audiobooks are available on audible.com

the deadline is April 13th. Third and Fourth class, your theme is "Go Wild!"

difference between your estimate and the actual length! How close did you get?? (this can be done with household objects and outdoor objects)

- **Money (adding and subtracting):** If you go shopping keep your receipt. Cover/hide the total on the receipt. Ask your child to write out the sum of all the items bought and add them up. What change did the shopkeeper give you? Subtract the cheapest item from the total. Now subtract the most expensive item.

- **History:** Come up with a list of questions to interview your parent(s)/grandparent(s) about the toys and games they used in the past. Compare them with the toys and games you have now by identifying the differences and similarities.

Art:

- Design and make a Happy Easter card for someone special.
- Ask an adult to hard boil some eggs for 15 mins. Paint and decorate the shells with different designs and patterns to make lovely Easter decorations for your home.

P.E.

- Have a wellie throwing competition with the members of your family. Who can throw the wellie the furthest distance? (this will tie in with length).
- The body coach kids workout (short movement breaks on youtube with Joe Wicks).
- *Gonoodle dances* - come up with your own dance routine to your favourite song and teach it to someone else.
- Take a bag/bucket each time you go to the beach to collect litter and stop plastics being brought back out to sea. Be sure to wash your hands afterwards (imagine if everyone did this, our beaches would be clean in no time!!).
