<ul style="list-style-type: none"> <li>• Novel/storybook . Continue reading, predicting, visualising, connecting and questioning.</li> <li>• Tall Tale Tennis. A tall tale is a story with unbelievable elements, told as if it were true and factual. Some tall tales are exaggerations of actual events. Invent and share a tall tale with someone at home. Watch American Legends Volume 2 Paul Bunyan on YouTube.</li> <li>• Reading Routines: Listen to and read a Story on Storyline Online. <a href="https://www.storylineonline.net">https://www.storylineonline.net</a> Try “ My Rotten Red-headed Older Brother” or choose from lots of others. .</li> </ul>	<ul style="list-style-type: none"> <li>• Stretch a Sentence. Write a simple sentence about someone or something. Add to each new sentence as you go. Add what the person/thing is doing, when the person/thing is doing their activity, where and why this is happening. You have stretched your simple sentence into a complex sentence by adding details that explain who, doing what, where, when and why. Try out a few of your own sentences!</li> <li>• Planning a fantasy story. Plan a fantasy story set in an imaginary place. It could be: An alien planet. A spooky wood. A deserted village. A monster cave. Somewhere else. Before you start, plan and list what you can see when you’re there, what sounds you hear, what you can smell and taste and how you feel when you’re there. Use the plan to help you write your story. Use the</li> </ul>	<ul style="list-style-type: none"> <li>• Tables – Revise multiplication and division tables. Pick a set of tables you know least e.g. x7s Over the week try to count in 7s going forwards, backwards, getting faster. Take turns with a family member. Call an answer e.g. 49 and the other person has to say the factors to match - 7x7.</li> <li>• Alphabet Symmetry Find the lines of symmetry in each capital letter. Mark each line of symmetry. Then write your name in capitals and see how many letters in your name are symmetrical. Repeat this for the names of other family members and friends.</li> <li>• Figures Dancing with lines and angles. Trace yourself in a "dance move" on large paper or using side walk chalk on the ground outside. Fill the inside of your body with words to describe yourself - fill the SPACE! Fill the outside of</li> </ul>	<p>HISTORY</p> <ul style="list-style-type: none"> <li>• Resilient People. The following people have all shown resilience throughout their lives. Add some of your own suggestions – they don’t have to be famous! Choose one who inspires you and do some research. Albert Einstein Michael Jordan Helen Keller JK Rowling Nelson Mandela Malala Yousafzai</li> </ul> <p>SCIENCE</p> <ul style="list-style-type: none"> <li>• Why do Cats Purr? Talk to your family member about why cats purr. What are some clues as to why they do this? Do you know what a cat does when it is kneading? Have</li> </ul>

	<p>adjectives, verbs and adverbs that will help your reader imagine the setting you choose.</p> <ul style="list-style-type: none"> <li>Writers Workshop: Operation Gratitude. There are people in our communities who work hard to help us daily. Let's thank them! Brainstorm a list of service providers who are helping keep us safe, especially at the moment. Ask a family member to brainstorm with you if you need help. Some people to consider include: doctors, nurses, paramedics, gardai, food service workers, etc. Pick one service provider that you would like to make a thank you note or card for. Create your thank you note or drawing.</li> </ul>	<p>your body with different types of LINES and ANGLES! Take a picture.</p> <p>ART</p> <ul style="list-style-type: none"> <li>Art for Kids Hub on YouTube –Community Helpers: How to draw Health Heroes – Doctors and Nurses. (Lots of other drawing lessons to choose)</li> </ul>	<p>you ever observed a cat purring or kneading before? Research these cat activities. Write down what you learned. Add a drawing of your cat or an imaginary one!</p> <p>P.E.</p> <ul style="list-style-type: none"> <li>Getting Silly and “Brain Break” Routines. Talk as a family about making a "getting silly" or a "brain break" routine. Get creative. Your routine could be a quick dance, listening to a favourite song, doing ten jumping jacks, balancing on one foot while touching your nose, having an "I can make you laugh contest," having a thumb war etc. Select a few ideas and try them out. Decide when you will add brain breaks into your day.</li> <li>Create a Family Dance. Each family member must decide on one dance</li> </ul>
--	--	---	--

			<p>move they want to add to the family dance. Stand in a circle and have a DJ (whoever listens to the best music) choose a song. Each family member takes a turn showing their dance move and the rest of the family must repeat it. Decide as a family on the sequence of dance moves, putting all the dance moves together to create your Family Dance!</p> <p>SPHE</p> <ul style="list-style-type: none"><li>• Mindfulness- Continue some finger breathing at home to help you feel calm.</li></ul>
