

Third and Fourth Class- List 6

Reading	Writing	Maths	Other Areas
<ul style="list-style-type: none"> • Novel/story book – Continue reading and questioning whilst reading. Remember, you can ask questions anytime during the story. (before, during or after) • Talk to your parents about their favourite books when they were your age. See what the differences/ similarities are between your book and their book. • Look at the words of the song 'Heroes' by Mariah Carey (or the Xfactor finalists if you want a more modern version!)What line in the song is your favourite and why? Try and challenge yourself and learn your favourite verse. 	<ul style="list-style-type: none"> • Who is a hero to you? Write a report on your chosen hero. Things you might include would be childhood, achievements and education. • Make a list of questions you would like to ask your hero if you ever got the chance. • Illustrate your hero in what you think shows them at their best moment. • Handwriting practice - As we are now in the Summer months, try and write an acrostic poem in your best handwriting called 'Summer'. 	<ul style="list-style-type: none"> • Tables – Revise 2s, 4s and 8s multiplication and division tables. • <u>Symmetry</u>: With the butterfly template provided, show what you know about symmetry by designing and colouring the wings in a symmetrical way. • <u>Time</u>: Draw the time in each of the clocks provided. • Write your daily schedule/timetable of your day and record the times you do each activity (time you get up, have your breakfast, do your schoolwork, have your lunch, play, help your parents, exercise, go to bed etc) • Write down how much time you spend on each 	<p>SESE</p> <ul style="list-style-type: none"> • <u>Make a time capsule</u> Choose a container to use as your capsule to store your items in. Ideas for items to put in your capsule can include: a page describing who you and your family are (signed with handprints if you wish!), draw a picture which shows how you are feeling right now and what is happening in the world right now. • If you can, take some photos of your home and print them out or just draw pictures of how your home looks now. • Pop everything in your capsule and hide it somewhere safe in your home!

		<p>activity. What takes you the most/least amount of time?</p> <ul style="list-style-type: none"> • Look at the timetable provided and answer the questions. 	<p>Science: How does hand sanitizer kill germs? Write down what you now know about germs, who discovered them, how they are spread and how hand sanitizer and washing hands helps. This video will help:</p> <p>How does hand sanitizer kill germs? - Mystery Science</p> <p>PE</p> <ul style="list-style-type: none"> • Spell your name PE: With each letter of the alphabet, an exercise is provided. Try and do these daily. Time yourself on Monday and see if you can get quicker by Friday. • Try some Yoga @cosmickids yoga on Youtube. • Continue GoNoodle breaks (www.gonoodle.com)
