

Third and Fourth Class - List 3

Reading	Writing	Maths	Other Areas
<ul style="list-style-type: none"> • Continue reading a book / novel. Before you read, discuss your predictions with someone else. Say what you think will happen and why. • Do some paired reading with your parent or an older brother or sister. Take turns after every few sentences....just nudge with your elbow when you want the other to continue. • Read a takeaway menu from a local restaurant / cafe. Pick out your favourite starter, main course and dessert/drink. • Read the cooking instructions on the packages of some food products in your kitchen e.g. rice, pasta, pasta sauces, noodles, pizzas. • Listen to an age-appropriate story on https://stories.audible.com/s-tart-listen The audiobook app 	<ul style="list-style-type: none"> • Plan and write out a menu / list of foods you would love to serve at your birthday party. Decorate it with pictures of some of the food, balloons etc. • Write out a shopping list for your home this week. • Write an acrostic poem about your favourite hobby. • Write a different ending to your book. • Plan and write a short report on your favourite animal. Use the headings Title, Classification (What it is), Appearance, Diet, Movement, Habitat, Interesting Facts. (See template attached) 	<ul style="list-style-type: none"> • Keep revising tables (multiplication and division) using topmarks.co.uk game hit the button/ hit the question. • Write out one or two sets of multiplication and division tables per day (5s,10s,11s this week) • Money: Think of an amount of money (under €10 using all different digits e.g. €6.78, €3.46). Try and work out the change you would get in the shop if you gave €10 for an item costing this amount. • Adding and subtracting: If you go shopping keep your receipt. Cover/hide the total on the receipt. Ask your child to write out the sum of all the items bought and add them up. What change did the shopkeeper give you? Subtract the cheapest item from the total. Now subtract the most expensive item. • Try a word problem a day OR one every second day. Remember 	<p>SESE</p> <ul style="list-style-type: none"> • Try to learn the counties of Connacht - Galway, Mayo, Sligo, Roscommon, Leitrim. • Pick your favourite Irish county or the county your Mum, Dad, Grandad or Grandmum is from. Compile a factfile as short or long as you like about it. You could include the county town, mountains, river, flag and colours, famous people from it, famous historical places, nickname etc. Hide something and make a treasure map to find it. <p>SPHE</p> <ul style="list-style-type: none"> • Try and find ways to help your parents: keeping your room tidy, clearing over the table after dinner, playing with your little brother or sister, Being Kind! • Ring a relative and ask them how they are? What they are doing? (e.g. grandparent, someone

audible.com gives you a months free trial and one book for free (All the Harry Potters narrated by Stephen Fry can be found here!)

to use the RUCSAC Method. (You will need an adult to make up the problem for you)

abroad)

PE

- GoNoodle break (www.gonoodle.com)
- Scavenger Hunt (see attachment)
- Make an obstacle course for you and your brothers and sisters. (If possible). Time each person doing it.

Art

- Make some junk art / recycled art (theme: What makes me happy)
- Make a percussion instrument using recycled materials.
- Draw your favourite animal
- Draw and colour a birthday cake that would best suit you!
- Make playdough.
