

Silhouette Self Portraits

A silhouette is the outline of the a person, usually filled in with solid black.

Silhouette Self Portraits

A silhouette is the outline of the a person, usually filled in with solid black. We are going to make ours a little more interesting!

Silhouette Self Portraits- Option 1

A silhouette is the outline of the a person, usually filled in with solid black. We are going to make ours a little more interesting!

1. Outline your silhouette in black Sharpie/Pencil.
2. Use pencil to add things inside your silhouette. Start with a few BIG drawings, then fill in smaller items.
3. Trace everything with Sharpie/Pencil.
4. Fill in color with skinny markers and paint.
5. Cut out, and glue onto colorful/normal paper.

Silhouette Self Portraits- Option 2

A silhouette is the outline of the a person, usually filled in with solid black. We are going to make ours a little more interesting!

1. Outline your silhouette in black Sharpie.
2. Use pencil to add things inside your silhouette. Start with a few BIG drawings, then fill in smaller items.
3. Trace everything with Sharpie.
4. Cut out, and glue onto black background paper.
